Watch this civil rights training video from [flexyourrights.com](http://flexyourrights.com).

Watch it every day for a month for less incarceration.

Remember your civil rights, never talk to a cop or anyone in jail about anything except local sports teams, noncrime movies, pop music, and network TV. No politics, nothing about your extreme sports or hobbies, nothing about your friends or family. Anything you say is an opening for you to destroy your own defence, save it for when you can talk to your lawyer.

You have the right to remain silent. Anything you say can and will be used against you in a court of law. You have a right to an attorney. If you can not afford an attorney one will be appointed for you by the court. Do you understand your rights? After hearing these rights are you still willing to speak to the cops?!?!?! Keep your mouth shut, no matter what they say to you!
